

Day 1 Day 1

Today we left at 8:45. First we went to get breakfast at Viva. We ate in the car so we could get there earlier. Then after we ate we turned on a movie, it was Cars. When the babies got tired and fussy we went to the closest gas station. All of us got out to walk around and we went to the bathroom. Then at about 11:00 we were back on the road. When we were back in the car we finished the movie. After the movie we did some homework, then took our next stop. After that stop we only had about two more hours left we were happy. When we got there we waited then got out. We had McDonalds that night, and we just relaxed.
